SIR,

Subject:-- Demonstration Kitchens in distress areas.

In continuation of this office letter of even number dated 16-8-46 recommending the deputation of staff to assist Mr. Machia for the above work, I have the honour to make the following further recommendation:

1. A lumpsum grant not exceeding Rs.30/- may be sanctioned for each demonstration kitchen. Mr. Machia will be requested to limit the expenditure to this level.
2. Two more Asst. Inspectors on Rs.50/- plus 10/- may be allowed in addition to the one Asst. Inspector and two Inspectors now working under him, as it is proposed to open 16 kitchens to work simultaneously in the Districts of Tumkur and Kolar.
3. Two sound lorries may be placed at the disposal of Mr.Machia so long as the demonstration kitchens are run. The oil and other such articles required for these will be drawn from the Deputy Commissioners

In view of the Dewan's instructions given during his recent Tumkur District tour to increase the number of demonstration kitchens immediately, I am in anticipation of Government sanction, permitting ~~Mr.~~ Mr. Machia to incur expenditure up to Rs.30/- for each demonstration kitchen, to appoint two more Asst. Inspectors and to utilise two lorries and I request that this may be approved. A copy of Mr.Machia's letter No.FR.9-1/46-7 dated 30-8-46 is enclosed for reference. I have cut down the proposal for additional staff to the absolute minimum.

I request that Government sanction may kindly be accorded early for (1) the lumpsum grant, (2) for deputation of 2 Inspectors and three Asst. Inspectors and (3) for utilisation of two lorries for the

(p.t.o.)

running of free kitchens and the milk distribution centres.

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOR OF FOOD SUPPLIES.

Subject: Demonstration kitchens.

In continuation of my letter No.F.R.9-1(1)/46-47 dated 12-8-46, I have the honour to state that the Dewan visited the demonstration kitchen at Kallambella in Sira Taluk on the 23rd instant and was pleased to order that the number of kitchens may be increased.

I am at present running 2 kitchens at a time and so far have finished work in Chitaldrug District where 29 kitchens have so far worked. 13 kitchens have been completed in Tumkur District during this month and further work will be taken up in the first week of September.

It is now proposed to open 16 kitchens to work simultaneiously so that the work of popularising Maize, wheatflour, dehydrated potatoes and processed milk may be completed in the districts of Kolar and Tumkur by the end of September.

My staff at present consists of 2 Inspectors each of whom is in charge of 4 kitchens and they are being assisted by 8 Special Revenue Inspectors from Tumkur District,each kitchen being in charge of one of these Officers. For purposes of supervision and the organisation of 16 kitchens, I require the following additional staff:-

4 Assistant Inspectors on Rs.60/- p.m. each Assistant Inspector being in charge of 4 kitchens. The 2 Inspectors now working with me will hereafter be in charge of 8 kitchens each. The pay sanctioned to these 2 Inspectors at present is Rs.80/- plus 20/- C.A. per month. The work involved in organising and running these demonstration kitchens is extremely arduous requiring the Inspectors to be constantly on tour. In consideration of the special work, they are engaged in, I recommend that their pay be fixed at Rs.100/- with an allowance of Rs. 20/- p.m. In addition 4 lorries may be placed at my disposal for the use of the Inspectors and the Assistant Inspectors for purposes of carrying stocks to the various kitchens and for inspections. The petrol and oil required for the lorries will be drawn on the account of the local Deputy Commissioners.

One other matter which I should like to bring to your notice is the totally inadequate Daily Allowance drawn by these Officers and by the lorry Drivers and cleaners. The rate now admissible to them is as follows:-

Inspector.	Rs.1-5-4	per day.
Asst.Inspector (Stenographer)	" 0-15-4	"
Driver.	0-12-0	"
Cleaner.	" 0-12-0	"
Attender.	" 0-12-0	"

In my own knowledge, I find that the minimum rate charged in hotels for each meal is Rs.0-12-0 so that it costs each of these persons Rs.1-8-0 per day only for the 2 principal meals. I am of opinion that theminimum Dailxy Allowance of Rs.1-8-0 should be paid to Drivers

Drivers and cleaners, R..2-0-0 to the Assistant Inspectors and the Stenographer and R..2-8-0 to the Inspectors. In as much as these persons will travel in Government lorries no question of Travelling Allowance - arises and they will be entitled only to Dailey Allowance.

The last lot of kitchens finished working in Sira Talrk on the 24th August and the staff of my two Inspectors has been withdrawn to Bangalore as it was not possible to continue these kitchens during the Gowri,Ganesha and Id Festivals. The existing 8 kithcehsa will com ence in Madhugiri and Sira Taluks from the 3rd of September.

After sanction for additional 8 kitchens is received, I propose that 8 kitchens after finishing work in Madhugiri taluk move into Goribidnur and continue the work in Kolar District. The other 8 kitchens after completing the work at Sira,Gubbi,Chiknaikanahally taluks will move into Kolar and continue the work there.

I request the favour of very early orders.

SIR,

Subject: Sanction of staff to the Special Officer for organisation of Demonstration kitchens etc.,

I have the honour to invite kind reference to this Office letter of even number dated 6th September 1946 making certain proposals on the above subject. The Government Order No. SD.2631-33/A. 94-96-3 dated 16th September 1946 provides for only two Inspectors and one Assistant Inspector for period of three months. The period of deputation of Messrs. A.R. Domingo and B.K. Shivaramiah has completed by 25th September 1946. The Special Officer deputed for this work recommends the continuance of sanctioned staff as also of the two additional Assistant Inspectors to end of October 1946. A copy of letter No.F.R.9-(1)46 dated 27th September 1946 in the matter is enclosed for information.

2. The working of the demonstration kitchens in the distress districts is expected to be completed by the end of September but it would be very desirable to continue the work in other districts also. Besides, the free milk distribution work is to continue till the end of November.

3. Hence I request that sanction of Government may kindly be accorded early for the continuance of the two Inspectors and 3

and 3 Assistant Inspector till the end of November 1946 and also for the lumpsum grant and utilisation of two lorries.

4. I am, in anticipation of Government ~~Section~~ Sanction, requesting the Auditor & Accounting Officer to pass the pay bills of the abovesaid staff for September 1946 and request that this may be kindly approved.
